1	Meetings attended	At approximately 0830 hours I attended a conference call with Pete
		Siegenthaler, Jason Tom, Keith Devonport, Ching Chao, Stan Ku, Ady
		Velasco, Josh Ishibashi, Pat Lowry, Marwan Nader, James Duxbury, and
		Chris Havel. The conference call was held to discuss the Field Change
		Notice (FCN) procedures and to address any concerns regarding these
		procedures. It was agreed during the meeting that there were some issues
		with the documents being uploaded by ABF/ZPMC; however, it was
		discussed that members of Team China had addressed these issues in a
		meeting with ABF earlier in the week and the concerns of the group will be
		addressed in future FCN's. In the next couple of weeks, Team China will be
		able to assess whether ABF/ZPMC have addressed the changes requested by
		Team China.
2	Meetings attended	At approximately 1100 hours I met briefly with Pete Siegenthaler, Jason
		Tom, Keith Devonport, and Jim Merrill to discuss the project NCR log. It
		was requested during the meeting that METS ensure that any new NCR's are
		discussed each day with the applicable Construction Senior and that it be
		documented when Construction receives each NCR. METS agreed to
		comply with these requests.
